Why We're Here

Most everyone agrees: it should be easy to vote, and hard to cheat. We can make that a reality in Harris County if enough of us pitch in.

This open house brings together candidates, local clubs, and election-integrity groups so we can prepare the ground together before November. Securing our elections is vital to preserving trust in American democracy, and Harris County is on the front lines.

What To Expect

- ✓ Informal meet & greet with candidates, local clubs, and HCRP leadership
- ✓ Short "how to get involved" talks — poll watching, ballot security, and grassroots Get Out The Vote activities
- ✓ Resource tables from area conservative groups and campaigns
- ✓ Sign up on the spot to become a poll watcher or election worker

Who Should Come

Any like-minded Republican or conservative in the Humble / Northeast Harris County area. If you've been looking for one more helpful thing you can do to turn Harris County around, we have you covered.

Invite someone to join you. Getting involved is better when you bring a friend!
